Sibshops: A program just for brothers and sisters of kids with special needs!

Designed for children ages 6-13, Sibshops are fun, lively workshops that provide siblings of children with special needs, ranging from developmental to life-limiting conditions, the opportunity to interact with peers and make new friends.

Co-facilitated by professionals from *CITT* (Child Improvement Through Therapy) and *Ryan House*, Sibshops are limited to 20 children to maximize each child's experience.

Here's what kids say about Sibshops:

"At Sibshops, you get to meet other brothers and sisters of kids with special needs."

"Sibshops have outrageous games!"

"At Sibshops, you can talk about the good and not-so-good parts of having a brother or sister with special needs."

"Sibshops offer a place to learn about cool things." "Sibshops are fun!"
